

GENESIS FORMULAB

ANTI AGING CREAM

ANTIAGING MOISTURIZATION

INGREDIENTS

Niacinamide 3%/3g
Goji Berry extract 0.8%/0.8g
Vitamin A Acetate 0.2%/0.2g
Distilled Water 83.2%/83.2g
Emulsifying Wax NF 4%/4g
Cetyl Alcohol 0.5/0.5g
Acai Berry Oil 4%/4g
Xanthan gum 0.2%/0.2g
Vitamin E Free Tocopherol 0.2%/0.2g
Vegetable Glycerin 3%/3g
EDTA 0.2%/0.2g
Jasmine Fragrance 0.2%/0.2g
Germall Plus 0.5%/0.5g

METHOD

Weigh out your water phase and dissolve niacinamide with a little water. Set it aside. Heat Emulsifying wax, Acai Berry Oil, and acetyl alcohol to 75°C. Dissolve EDTA in water. Mix glycerin with Xanthan gum thoroughly and then add it to your water phase. Heat to 75°C as well. Combine your heated oils and water together. When the mixture has cooled to 40°C, add Vitamin A & E, niacinamide, goji extract and fragrance. Mix well. Finally, add your preservative and mix well.
