

GENESIS FORMULAB

VITAMIN C SERUM

BRIGHTENING, REJUVENATING,
ANTI-AGING

INGREDIENTS

Niacinamide 3%/3g

Distilled Water 84.8%/84.8g

Sodium Ascorbyl Phosphate (SAP) 7%/7g

Hyaluronic acid (HA) 1%/1g

Vegetable Glycerin 3%/3g

Sodium gluconate 0.2%/0.2g

Optiphen Plus 1%/1g

METHOD

Dissolve Sodium gluconate, SAP and Niacinamide in distilled water. Mix HA with glycerin thoroughly and add to the water phase. Mix well. Let it sit for 30 minutes or until the solution is homogenous. Add Optiphen plus and package. Test the pH and adjust to 6 if necessary.
